Coach Stringfield enters his sixth year as the Varsity Coach for the Warriors, and his seventh year in the program overall. A Social Studies teacher at Wayne, and a native of Huber Heights, Coach Stringfield graduated from Wayne in 1996, and from Earlham College in 2000. He now leads a golf program that has steadily improved in recent years, and looks to continue recent success with a nice mix of experience and young talent in 2010. His wife, Christie, is also a teacher, and teaches fourth grade for New Castle Community Schools. In addition to golf, Coach Stringfield was recently named the Varsity Baseball Coach at Wayne, after having served as the JV coach for 7 years.
